

Join aQuelle in the cause for diabetes - Let's beat diabetes, together

Issued by [aQuelle](#)

18 Oct 2023

Did you know that diabetes is the second leading cause of natural deaths in South Africa, claiming over 200 lives every day? Diabetes affects so many people in the communities we work in and support. aQuellé is on a mission to create awareness and build knowledge about diabetes, and is joining with communities and organisations such as Diabetes South Africa to do this - together we can beat diabetes.
