

Quotable quotes: What they said in 2008

The year 2008 has been a hectic one for Zimbabweans who were kept on their toes in their daily struggle to put bread on the table. Despite this desperate and unenviable situation, some quotable quotes made during the course of the year livened up political and economic debate in the country.

Here are some of the top quotes compiled by *The Financial Gazette* News Editor, Brian Mangwende:
