There's something to be said for being peculiar. It's the link between the logic and magic that we believe in, and what our students do best.

On **17 November**, the Red & Yellow School invites you to **come and experience Red & Yellow's School for Magnificent Peculiars** - a showcase of the very best in innovative ideas and extraordinary craftsmanship our students have to offer.

Sponsored by Spier Wines, Corona, Atlantic Storm Brewery, RedBull, Sxollie Cider and Stellenbrau Brewery, the graduate showcase is set to be **the grand finale to a superb year for Red & Yellow's creative course students**. Scooping up five Loerie awards, D&AD New Blood Pencils, and the Overall and Gold Student Pending awards, plus numerous individual successes, it's no wonder that our students are already being snapped up by the industry.

"We're exceptionally proud of the creative talent we're sending out into the industry for 2017," says Katharina Scholtz, Academic Head. "Red & Yellow's mission has always been to produce work-ready, multi-skilled

graduates and this year is no exception."

Join us on **17 November 2016, 17h30**, at **95-97 Durham Avenue, Cape Town** - you might just see something you like.
