

I'm looking for creatives to share my studio in Muizenberg, CPT. Any ideas?

Know any creative/freelancers looking for a desk/office to rent?

Fantastic secure office space available immediately in Muizenberg, Cape Town. I have two large offices with two desks each. I'm only using one of the desks, so I'm looking for someone to share with. Since I'm a designer/illustrator, I'd ideally love to share the space with fellow creatives e.g. architects, designers, illustrators etc.

Visit www.bit.ly/hAj4F2 to see the space and views.

Email justin@joom.co.za if you're keen.
