

Antalis launches 2012 art of design awards

Art of Design was launched nationally during June 2011 to a record number of guests.

The Johannesburg launch took place on 7 June at The Venue, Melrose Arch. This is the 13th Art of Design, which is held every two years. The entry kit consists of a black presentation box containing the 'Paper Loves You' brochure and three of the 12 'Posters of Design'. Each guest received their own entry kit at the end of the presentation. The remaining 9 posters will be hand delivered to the design industry over the next 12 months to ensure inspiration to enter remains high.

For more information and to receive you own personal Art of Design entry kit contact your Antalis Paper consultant or go to www.antalispaper.co.za
