

Technology think tank on CNBC

Tonight, Friday 4 February 2011, [CNBC Africa](http://www.cnbc.com/africa) will run a CNBC Special: Technology Think Tank with Mike Stopforth, Arthur Goldstuck, Stafford Masie, Toby Shapshak, Aki Anastasiou and Dion Chang discussing, "What are the opportunities and dangers of technology? Are we becoming less social with social media? How are location-based services and app's changing the way we live? And are touch screens the new sliced bread?" The show, airing at 9pm, is repeated on Saturday 5 February at 7pm and 10.30am on Sunday 6 February.
