

Valter Adão appointed new leader of Deloitte Digital Africa

Deloitte Digital Africa has appointed Valter Adão as its new leader. Most recently, Adão was the leader and founding director of the newly created, Monitor Deloitte in Africa, a premier consulting practice which provides an integrated innovation, strategy, analytics and economic policy development offering to assist organisations in addressing their toughest challenges.

During his career he has held senior leadership positions in strategic business development, and has comprehensive experience in market entry strategies for new products and services, and leading established business areas. Adão is a member of Deloitte's Global Innovation Executive Committee.
