

# Top Employers certifies British American Tobacco as top African employer

The Top Employers Institute (TEI) has verified British American Tobacco as one of the best companies to work for in Africa.

To be certified, a company has to meet the criteria for the Top Employers Institute. The criteria being companies achieving certification in four countries. British American Tobacco achieved certification in South Africa, Angola, Zambia, Zimbabwe, and Mozambique,

The Top Employers Institute conducts independent and internationally verified research into how a company looks after and develops its people.
