

OFM on the move

SA radio station OFM will be moving to new premises on the first floor of the MTN building in Nelson Mandela Avenue, Bloemfontein, for a period of one year. An agreement has been signed with the N.Georgiou Trust that a new building be built for OFM, which will become its permanent location. Lyndon Johnstone, managing director of OFM, apologises for any inconvenience that OFM listeners and guests may experience during the move. Visitors to OFM can visit them at their new premises and contact details will stay the same.
