

## Enter the Europcar Walk the Talk Twitter Competition

It's that time of the year again when we put on our walking shoes and participate in the Discovery 702 Walk-the-Talk and 2014 marks a historic milestone for South Africa - 20 years of freedom and democracy in the country. To celebrate our achievements, we need to remember how we got here. So, show how South African you are! Take a picture and tweet it to us at [@EuropcarSA](https://twitter.com/EuropcarSA) using #DriveSouthAfrican and you could win one of two shopping vouchers to the value of R2,500 and a luxury chauffeur to take you there.
