

Second annual Dental Africa Exhibition and Conference in Lagos

The second annual Dental Africa Exhibition and Conference, organised by Informa Life Sciences Exhibitions, will be held at the Eko Hotel & Suites in Lagos, Nigeria on 7-9 October 2015. The event will provide a platform for companies to interact with professionals from the West African dental industry. It will provide a combination of business networking and trade opportunities along with hands on workshops and conference, where experts will provide attendees with latest dental technologies and updates in the industry.

The exhibition will display the latest products by the frontrunners in the field from Africa and beyond. Attendees will benefit from the opportunity to network with some of the biggest local and international names, including Casa Dente Nigeria LTD, Oral B, S&S Biomat, Trinity Dental Supplies and more.

The event will host more than 2000m2 of exhibition space, more than 1500 participants, 25 local and international speakers, and a 3-day CPD accredited conference, all dedicated to the dental industry in West Africa and Nigeria.
