

Red Bull Amaphiko Academy applications are now open

The 2019 edition of the Red Bull Amaphiko Academy will be held in Durban from 16-26 May 2019. Started in 2014, the academy aims to equip grassroots social entrepreneurs who make a positive difference in their communities and who work to resolve social issues of national relevance.

It enables the selected social entrepreneurs to continue making a difference by giving them access to networks, information, skills, opportunities, and exposure.

Applications for the 2019 Red Bull Amaphiko Academy will run from 1 October-31 November 2018. Submissions may be made [here](#).
