

Tongaat Hulett Developments makes series of executive appointments

Tongaat Hulett Developments has made a series of key executive appointments. This new leadership team will report to MD, Michael Deighton, and has been tasked with driving strategic portfolios aimed at streamlining and driving the transformation of the organisation as well as the social and economic landscape it operates in.

The leadership team consists of people who have come from within the business, namely Bongani Gumedede, Karen Petersen, Xoli Shabalala, Rory Wilkinson, Sithembiso Mthembu and Samantha Shukla.
