

Rialheim to provide even more #MyHeartBeatsAfrica at Sanlam Top Destination Awards 2017

To make the Sanlam Top Destination Awards 2017 even more Authentically African #MyHeartBeatsAfrica, Rialheim has come on-board to create the décor for each table at the awards ceremony as well as designing the winning trophies, and providing guests with a special ceramic gift.

Rialheim founder and creative director, Rial Visagie will be directly involved in the creation and design of the centre pieces. The ceramic pieces are handmade with African clay at the ceramic farm in Clairvaux and tells a different story inspired by heritage, current trends, and quirky pieces.

Rialheim will also provide one winner of this year's Sanlam Top Destination Awards the chance of winning a room makeover valued at R10,000.
