

Bonnievale Sauvignon Blanc wins third gold medal for 2021

River Collection Sauvignon Blanc from Bonnievale Wines won a gold medal at the Veritas Awards.

A similar achievement was made by the Sauvignon Blanc in July, when Gilbert & Gaillard, owner of an online wine guide in France and 22 other countries, awarded the wine a gold medal. This was followed by gold at the Michelangelo International Wine & Spirit Awards, where Sauvignon Blanc was the biggest category with 200 entries.
