

See: The lookbook for the Mugler H&M collection is here

H&M's latest collection, a tribute to Thierry Mugler, is open to every individual's identity and incorporates playfulness, youthfulness and body positivity.

Womenswear features Mugler's distinct oversized shoulders with cinched waists, as well as baggy trousers, leather jackets and skirts with decadent embellishments. While menswear consists of leather pieces such as pants, blazers and trench coats with engraved buttons. The collection also includes a variety of gender-fluid accessories, such as bags, scarves and sheer gloves and tights.
