

Trencor sees 25-35% higher earnings

Container leasing group Trencor said on Friday (3 February 2012) it expected adjusted headline earnings per share in the year ended December 2011 to be between 25% and 35% higher from the 369,4 cents reported in the previous corresponding period. Basic earnings per share and headline earnings per share are expected to be between 65% and 75% higher, from the previous period. The results are expected in the second half of this month.
