

MediRite supports World Heart Day with free testing

In support of World Heart Day on 29 September 2017, MediRite pharmacies will offer free blood pressure and cholesterol testing between 23 and 29 September 2017. Customers have been encouraged to book appointments at their nearest MediRite, where a qualified pharmacist will administer the blood pressure test.

The free blood pressure and cholesterol tests are available at the 147 MediRite pharmacies in Checkers and Shoprite supermarkets across South Africa.
