

Exclusive internet distribution partner selected

General entertainment channel Star TV, which broadcasts in English and Swahili from Tanzania, has selected JumpTV as its exclusive Internet broadcast partner for the online distribution of its content. For a monthly subscription of US\$9.95, JumpTV subscribers all over the world can watch Star TV's African movies and breakout shows, including daily news show 'Jarida Maridhawa', music program 'Roving DJ' and 'Tegemeo langu', a show focused on helping viewers escape from the bondage of poverty.
