

POWER-GEN Africa 2012 call for papers deadline extended

POWER-GEN Africa 2012, the conference and exhibition that covers topics within the power and energy industry and focuses on sub-Saharan Africa to provide global technology for local solutions, and takes place from 6-8 November 2012, Sandton Convention Centre, Johannesburg, South Africa. The three-track conference will work under the headings of Strategy, Technology and Renewable Energy, each with sub-topics to ensure broad coverage of the industry. Abstracts of between 100-300 words are now being accepted and the deadline has been extended to 10 February 2012. For more, go to www.powergenafrika.com.
