

# African Movie Channel launches iPad app

African Movie Channel (AMC) have officially launched its African Movie Channel iPad app, reportedly the first ever iPad app dedicated to On-Demand Nollywood and African films and TV series.

To watch AMC on iPad, viewers simply need to sign up for an account online at [www.africanmoviechannel.tv](http://www.africanmoviechannel.tv), download the African Movie Channel iPad app from the Apple store, login and start enjoying a wide selection of movies and TV episodes on-demand.

African Movie Channel also officially unveiled its long awaited On-Demand Roku channel, and its revamped On-Demand portal.

For only US\$5.00 a month, viewers have unlimited access to thousands of movies and TV episodes via all three apps. With one user account, viewers can watch On-Demand what they want, anywhere and at any time, on their iPad, mobile, online, and on TV through a Roku box. Viewers can also cancel their subscription at any time.

AMC On-Demand gets refreshed with at least seven movies every Friday.
