

## Vote of confidence for ICT expo

This year, the international IFIP TC3 Information Security conference and exhibition will run alongside Futurex & Equip, 15 - 18 May 2007 at the Sandton Convention Centre in Johannesburg. "This is the first time in many years that a show like IFIP has been available to South African delegates. The fact that the organisers have chosen to run it alongside Futurex & Equip is a vote of confidence in our show," says Jo Melville, MD of Exhibitions for Africa.
