

## **BEE expo means business**

The Border Kei Chamber of Business is hosting the first Black Economic Empowerment Exhibition at the Christian Centre in Buffalo City, 27 and 28 July 2006. The key objective is to highlight the latest policy developments, products and services in the BEE arena and establish business relationships between procurement teams from respective businesses and BEE suppliers. Supporters include Buffalo City Municipality, Development Bank of South Africa, Industrial Development Corporation, Eastern Cape Development Corporation, FNB and Small Enterprise Development Agency.
