Did you know that in a recent online survey, almost 62% of CBD users reported using CBD to treat a medical condition, particularly pain, anxiety and depression¹?

To help South Africans better manage symptoms associated with anxiety, pharmaceutical company Adcock Ingram launched Adco CBD Stress², available in 200 mg (15 ml) drops, 600 mg (30 ml) drops and 30 Capsules (20 mg CBD per capsule).

Trusted, reliable, reputable Adco CBD products are available from selected Clicks and Dis-Chem stores, as well as selected independent pharmacies and online stores. For more information visit www.adcocbd.co.za and join the conversation on [Instagram](#) and [Facebook](#).
