

NAB representing *Daily News* in Zimbabwe

As of early last month, the Newspaper Advertising Bureau (NAB) is the sales representative of Zimbabwean independent daily newspaper, *The Daily News*. The newspaper is back after being forcibly closed more than seven years ago by the Zimbabwean government.

The paper will be distributed in Harare, Marondera, Rusape, Mutare, Chinhoyi, Masvingo, Norton, Kadoma, Kwekwe, Chegutu and Gweru and has a print order of 50 000.

Says the Newspaper Advertising Bureau's (NAB's) joint MD Gill Randall, "We are exceptionally proud to represent publications that have editorial commitment to reporting the truth, without fear or favour, and know that our advertisers will be pleased to see the return of this platform."
