“VFS Global is extremely pleased to be mandated by the Consulate General of Italy in Johannesburg to bring its best in class Italy visa services to the residents of South Africa and Botswana. We have been running successful operations in the region since 2007, and look forward to adding Italy visa services to our operations there. Additionally, at a global level, we have been re-awarded contracts to continue Italy operations in India, Ivory Coast, Nepal, Saudi Arabia, Thailand and the United Kingdom, reaffirming the Schengen nation’s faith in our service excellence,” said Chris Dix, head – business development, VFS Global.

In Africa, VFS Global currently operates 11 Italy Visa Application Centres across eight countries, processing more 72,000 visa applications on average per year. This new contract will add six Italy Visa Application Centres and an estimated 25,000 visa applications per year to VFS Global’s existing operations for Italy in Africa.
