

All the 2021 Oscar winners!

The 93rd Academy Awards were hosted at Los Angeles' Union Station and the Dolby Theatre in Hollywood on the 25 April 2021.

The movie awards event of the year took place last night, two months later than usual, and after a strange and disruptive year for the industry due to the pandemic, was one full of upsets and precedent-breaking awards. It was an in-person event which took place simultaneously at both the Dolby Theatre in Hollywood and the Union Station in Los Angeles.

This year's list of nominees included many firsts; two women nominated for best director, an all-black producing team nominated for best picture and two actors of Asian descent nominated for best actor. These reflected the inclusive spirit of this year's Oscars and a nod to being more diverse.
