

## Park-In Experience returns with local film lineup

The Park-In Experience is set to return on 20 August 2021 with a screening of *Girls Trip*. It will be followed by the main feature of the evening, *An Act of Defiance*, a proudly South African depiction of the events around the conviction of Dr Nelson Mandela and other political activists to life imprisonment during the Rivonia Trial.

The film is directed by Jean van de Velde and features quality performances by the likes of Sello Motloung and Peter Paul Muller.

The following day (Saturday, 21 August 2021) Park-In Experience will feature a double-header run of two prominent local productions, *Looking for Love* and *Knuckle City*. *Looking for Love* stars Celesti Ntuli, Trevor Gumbi and Phindile Gwala and follows the comic story of a 38-year-old woman forced to look for love with the goal of settling down.

*Knuckle City* leads with Zolisa Xaluva, Siv Ngesi and Angela Sithole. It unravels the tale of an ageing boxer in the last match engagement that has sinister implications for him and his brother.

Park-In Experience hosts outdoor cinema viewing events in a lifestyle setting featuring some of the most revered local film productions under the ambience of a market feel and live music entertainment. Patrons can opt to drive in and watch movies from the comfort of their cars or stretch their legs in a relaxed picnic environment with refreshments and food on sale.
