

Eurobest 2010: Design, Craft, Media, PR & Integrated juries

HAMBURG, GERMANY: The remaining jury members have been named for Eurobest 2010, one of Europe's principal creative advertising and communications festivals honouring and celebrating European creative excellence across all major disciplines.

This year there will be eight juries judging 14 categories, including the new PR and Mobile competitions.

The appointed judges, all talented professionals in their respective countries, will meet in Hamburg, this year's host city, to judge, deliberate and award Europe's best work.
