

New accounts for The Group Branding & Design

Innovative young creative and branding consultancy, The Group Branding & Design, based in Parktown, Johannesburg, has made the following new client acquisitions:

- * Mauritius Breweries Ltd;
- * Bank of Athens;
- * Shield Chemicals (new product development);
- * QMS SA (skincare);
- * Martin & Martin (packaging).

The Group Managing Director, Ana Kukoc: "Our passion and commitment to building brands has won the confidence of the new business acquired. We have been fortunate that the clients which we have acquired have increased the categories The Group is active in."

The Group Branding & Design are brand specialists who grow, create and develop brands from the brand experience, including brand strategy and brand identity. The Group Branding & Design is continually adding to core team skills with a portfolio of credentials to deliver impactful and excellent branding and design services to clients in Southern Africa.
