

W880i is phone of the year

Sony Ericsson's W880i walkman handset has been named best phone of the year at the 2007 Nigerian Telecoms Awards in Lagos, hosted annually by Logica Telecom Awards Limited. Other nominees in this category included the Nokia E61i and the Motorola V3. The W880i sports a brushed stainless steel finish available in Steel Silver or Flame Black and is able to store 900 full length tracks on its 1GB Memory Stick Micro.
