

Shoprite Group kicks off Solidarity Fund donation with R1m

The Shoprite Group has announced support for the Solidarity Fund in aid of South Africa's response to Covid-19 and to assist the most vulnerable during this crisis. An initial donation of R1m will be made while the Group will also grow this amount daily with the support of the public via its Act for Change Fund facility.

Customers are welcome to add a contribution to their purchases at the till points in any Shoprite or Checkers supermarket nationwide.

“South Africans are a formidable force for good when we are united. To overcome the greatest challenge of our time, we need to pull together more than ever before. Our government has established the Solidarity Fund and we must all play our part to ensure there are enough financial resources to stop this virus,” said Pieter Engelbrecht, CEO of the Group.

Willowton, PnP donate 750,000 bars of soap to schools, elderly

19 Mar 2020

The Group launched the Act For Change Fund, a till-point donation facility, in March 2016 when customers enquired how they too could help drought-stricken communities. All customer donations made to the Act For Change Fund will now be paid into the Solidarity Fund.

Funding will be made available immediately in response to the Covid-19 pandemic, providing help over the coming months as the crisis is set to intensify.
