

Global Wealth Group's chief product officer Linden Booth joins Forbes Technology Council

Global Wealth Group, a leading platform for investors to crowdfund properties, has announced that its head of product and chief product officer of WealthPoint, Linden Booth, has joined the Forbes Technology Council. A review committee considered Booth's expertise and diversity when vetting and selecting him for inclusion in this invitation-only community.

Forbes Technology Council is an invitation-only community comprised of leading CIOs, CTOs and technology executives.
