South African finance and investing publication Daily Investor has shown exceptional growth, and is set to reach one million readers in March.

South African finance and investing publication Daily Investor has shown exceptional growth and is set to reach one million readers in March.

Daily Investor launched on 1 August 2022, offering South Africans the latest business news, investing insights, and financial data. Over the last eight months, the publication attracted a rapidly-growing audience of investors, finance professionals, executives, and high-net-worth individuals.

The majority of Daily Investor's audience is between 35 and 65 years old, have a household income of over R1m, and live in Johannesburg, Pretoria, and Cape Town.

Smart Money

On the back of this success, Daily Investor launched its finance, business, and investing talk show: Smart Money with Alishia Seckam.

On Smart Money, Alishia interviews South Africa's top business leaders to get their views on financial matters and see what makes them tick.
